

COMPLEXION OF THE NEXT STATE ASSEMBLY

A canvas of the state vote shows that the entire Democratic state ticket was elected with the exception of Kettle, candidate for long term regent, who was defeated by Codd. Senator Newlands received more votes than any other man on the ticket, Bartlett being second on the ticket in number of votes. Following are the men who will compose the twenty-fourth session of the Nevada legislature, the assembly standing thirty-four Democrats to fourteen Republicans.

M. J. KELLER WAS NOT THE MAN WANTED

VIRGINIA CITY, Dec. 10.—Deputy United States Marshal Stern arrived last evening with M. J. Keller, who was arrested Saturday night at Tonopah with a warrant "on suspicion." No intimation was given by the officers as to the nature of the alleged crime of which he was suspected. Keller resided in Tonopah almost continuously for three years. He was employed last summer by the Tonopah Liquor company, but had worked as a crap dealer at the Casino for a short time previous to his arrest.

Today the postmaster of Mill City, Humboldt county, arrived and for the first time Keller heard that he was arrested for robbing the mails in that town a few months ago.

Keller was brought into the sheriff's office in the presence of the postmaster who declared that he (Keller) was not the man wanted and he was immediately liberated.

Mr. Keller has several friends in this city and Tonopah who could have proved his innocence in one second, but the charge on which he was arrested was kept a secret and he was trotted off to this city without being given a chance to speak for himself.

At the present time Mr. Keller finds himself a resident of the Comstock and if he desires to get back to the position he held in Tonopah he will have to dig up his own railroad fare to reach his destination.

NOTICE TO TAXPAYERS.

Today is the last day that taxes will be received without the penalty added. Be sure and pay them or they will become delinquent.

R. F. GILBERT,
County Treasurer.

MANHATTAN INDEPENDENCE

CHANGES HANDS

It is reported that the Manhattan Independence Consolidated Mining company has changed hands and that a mill will be erected on the ground. This property is located at the west end of the district and has very good showings, some very fine ore having been recovered from it last fall.

MORE THAN A MILLION FROM NYE COUNTY

Ore Mined in Nye County for the Past Three Months Worth Nearly a Million and a Half Dollars

The total amount of ore extracted from the mines in Nye county for the quarter ending September 30, 1908, amounted to 76,662 tons, of a valuation of \$1,378,384.11. These are the figures obtained yesterday from State Bullion and Tax Collector J. F. Haley, who has been in Tonopah several days checking up the tax receipts in the sheriff's office. The amount of bullion tax paid during that quarter by the various mining companies into the coffers of the state amounted to \$6074.15.

The above figures are about equal to those of the preceding quarter and it is expected that when the figures for the present quarter are obtainable they will exceed those of any preceding time. The shipments from the Broken Hills company at Clifford are expected to raise the amount of ore mined, as will the MacNamara mine and West End, which during the time those properties were in litigation, shipped only enough high grade to pay expenses.

Mr. Haley finished his duties in Tonopah yesterday and left on the afternoon train for Goldfield and Pioche, where he finishes his report and then returns to his home in Reno.

SCHOOLS ARE CLOSED FOR THE HOLIDAY SEASON

The schools of Tonopah closed yesterday for a three weeks' Christmas vacation and consequently the youngsters are light of heart and are prepared to enjoy themselves to the utmost until the first Monday in January, when the classes will again start. There were no exercises held in the schools yesterday, as both pupils and teachers have been busy preparing for the examinations.

A number of the teachers leave this morning for Reno, where they go to attend the teachers' institute, which is held in that city and will be in session for a week. This is an annual meeting at which the teachers from all over the state attend, and methods for benefitting the schools are discussed.

ELK'S MINSTRELS HERE DEC. 15TH

There promises to be something doing in the realm of Elkdom on the evening of December 15. The Goldfield Elks minstrels will give one of their grand performances in Tonopah on that evening under the auspices of the Tonopah Elks, and from the reports that have reached here from Goldfield, the bunch will be sure winners. They have a goodly number of local hits and jokes which they will spring on the evening of the entertainment. Walter C. Stone and W. B. Hamilton of Goldfield, who are in charge of the minstrels, came over yesterday and completed the arrangements for the giving of the show.

Everything for a dainty tea table will be found among the hand painted china at St. Mark's Bazaar, Monday evening, December 14.

THE BAZAAR WAS WELL ATTENDED

The bazaar given yesterday and last evening at the Nevada theater by the Ladies' Aid society of the Presbyterian church was a great success and quite a sum of money was realized from the sale of numerous articles. The different booths were gaily decorated and each was in charge of an expert sales woman and it was woe to any person who drifted within their reach. A number of selections for the entertainment of the visitors was also on the program, and each number was greatly applauded.

R. B. Kidd wishes to thank his many customers for their past patronage and hopes to receive their future business at his assay office, two doors south of the Palace hotel, Main street. He has installed a complete power plant and is prepared to do quick and accurate assaying of all kinds.

DOINGS OF THE COMMISSIONERS BOARD FRIDAY

At the meeting of the county commissioners yesterday that body fixed the amount of bonds for the incoming officers who will take office on the first of the year. They also instructed the district attorney to draw up an ordinance appointing a fire warden for the town of Tonopah, whose duty will be to inspect all flues and also enforce the gasoline ordinance. The board adjourned late in the afternoon.

This is the last meeting of the present board, as on the first of the year J. J. McQuillan is succeeded as short term commissioner by W. C. Humphreys of Manhattan.

VAN DUZER IN TROUBLE.

A New York dispatch states that Clarence D. Van Duzer, former member of congress from Nevada, is in trouble at New York again, the charge being that he is trying to evade a debt. He was sued for \$500 and a verdict rendered against him. He has refused to pay the debt and upon three occasions has been adjudged guilty of contempt of court for not appearing when ordered to do so. He has been arrested and is detained in the city prison in New York.

Van Duzer has gained a national reputation through his refusal to pay his bills and for evading service when collection has been attempted. At present he is connected with the Gold Range Mining company.
